

Job Title: **ASP.NET DEVELOPER**

Company: AMX Solutions Ltd

Location: Bristol & Bath Science Park, Dirac Crescent, Emersons Green, Bristol BS16 7FR

Position: Full time

Salary: £30,000 - £35,000 per annum (dependent on experience)

AMX Solutions Ltd has over 10 years' experience as a leading provider of Infrastructure Asset Management software in the UK and to users worldwide, excelling in the delivery of high quality, customisable asset management software to support organisations' key aims and objectives.

Job Description:-

Reporting to the Product Manager, we're looking for a bright, personable Software Developer, with at least 2 years experience, to join our friendly team in a dynamic, fast growing company based within the Bristol & Bath Science Park. Working alongside more experienced developers, you will be involved in a variety of projects and assist in the design and development of both new and existing software applications. The role is subject to a 6 month probationary period.

The successful candidate **MUST have a flare for style and web design** and experience with the following technologies:-

- HTML, JavaScript, CSS, Bootstrap.
- .NET Web development (ideally aspx web forms and MVC).
- C#.
- SQL and experience of working with databases.

Desirable Experience:-

- Azure.
- VB.Net (We still have some legacy code in VB).

Qualifications:-

- A degree in Computer Science, or equivalent, is strongly desirable.
- Over 2 years' experience at a similar job
- Eligible to work in the UK.

This is an exciting opportunity for a motivated and versatile individual with a strong skill set. Ideally, the successful candidate needs to be able to step-up and manage the Development and Testing functions in the Product Manager's absence.
